Those Dreadful Sores

They Continued to Spread in Spite of Treatment, but Now They are Healed. A Wonderful Work.

"For many years I have been a great sufferer with various sores on one of my limbs. My foot and leg became dreadfully swollen. When I stood up I could feel the blood rushing down the veins of the limb. One day I accidentally cut my foot against some object and a sore broke out which continued to spread and was exceedingly painful. I consulted a doctor and he gave me a prescription, but it did not help. I then began taking Hood's Sarsaparil. In a short time those dreadful sores which had caused me so much suffering began to heal. I kept on faithfully with Hood's Sarsaparil, and in a short time my limb was completely healed and the sores gave me no more pain. I cannot be too thankful for the wonderful work Hood's Sarsaparil has done for me." Mrs. A. E. Green, Haverhill, Vermont.
